Accentuating sense of responsibility for students' learning.

Recognition of staff members' excellent effort and celebrating their successes.

Collegial and collaborative relationships among staff members

Harnessing strengths through professional development, staff reflection, and sharing of best practices

WELCOME MESSAGE

A very warm welcome to STEi Institute.

As a prospective student, you may face multi-faceted challenges. A key question that typically races through one's mind is, "Where can I secure relevant, reliable and profesional educational qualification?"

We are fully conscious of the immense responsibilities placed on us and we will do our utmost to build on the rich legacy and solid reputation to provide quality services.

CHRISTINE TAN STEi Institute Principal/Managing Director

WHO WE ARE

We are a Private Education Institution that has established itself as a credible and astute service provider with sound governance and financial standing.

Our team of dedicated lecturers are subject matter experts in both industry practices and didactic approaches to meet your learning needs. Our school also include excellent facilities in a conducive learning environment that meet the standards set by the governing authorities.

QUALITY POLICY

We, at STEi Institute are fully committed to the provision of high quality, costeffective and relevant education and training courses for our students and the industries.

At STEi, quality is everyone's responsibility. We take pride in our work and emphasise on problem prevention rather than correction. We are committed to comply with the requirements of our clients, and to continually improve our service quality based on feedback and established benchmarks.

STEi adopts a comprehensive Quality Management System (QMS). All STEi staff must comply with the QMS and strive to continuously improve our quality processes in the most competitive and effective manner.

OUR CAMPUS

STEi Institute occupies an area of more than 10,000 sq ft and is located in the city area which is accessible by various means of transportation. All our classrooms, workshops and resource room are wireless surf-zone, students can surf the internet through computer stations, own laptops or smart phones anywhere in the institute. The Resource Room/Library is equppied with computers & resource materials for students' research and self-development purposes. STEi workshops are mock-up of restaurant setup, cocktail bar and hotel room.

FOOD & BEVERAGE OPERATIONS

The certificate course is designed to equip students with the essential knowledge and vital vocational skills required for the operational aspects of the food and beverage industry.

This qualification establishes a progression route from Certificate to Diploma/Advanced Diploma in Food and Beverage. Hotel or Hospitality Management, giving recognition of the necessary knowledge and skills for employees whether they are starting their career in the industry or are already preparing for a supervisory role.

CERTIFICATE IN FOOD & BEVERAGE OPERATIONS

HM 1001 ENGLISH FOR HOSPITALITY

This module is designed to enhance student's essential communication skills in the Hospitality Industry. Students would be able to understand the "lingo" of the Industry and also to adapt to the terms of reference used amongst the staff. Students would be equipped with Hospitality English language skills to speak, read and write in proper English with confidence.

HM 1004 FOOD & BEVERAGE OPERATIONS

This module introduces the different services and operational styles to serve different types of cuisine such as Plated Service, Gueridon Service, Buffet Service, Family Service, Counter Service, Silver Service, Carvery Service, Fast Food Service, and other services.

HM 1007 CONFERENCE & EVENTS OPERATIONS

This module equips the students with the knowledge in various types of events. It outlines the uniqueness and importance of each event and focuses on the functions and responsibilities of the Banquet Department.

HM 1009 QUALITY SERVICE

This module allows students to provide quality customer service to their customers. It focuses on the importance of having the right service mindset and how to present positive attitude and professional appearance in front of customers.

HM 1019 INDUSTRIAL ATTACHMENT (IA)

Students can expect to be deployed to the Food & Beverage department of the Hospitality Industry, over 3 months of Industrial Attachment.
