Introduction

Passenger Ferry Safety Refresher Course is simulator-based assessment for re-validation of Masters and Chief Officers of Ferries plying in and out of Singapore Port.

For Whom

Masters and Chief Officers of passenger ferries plying in and out of Singapore Port.

Course Coverage

The course covers the following topics:

- Port environment
- Navigation in the vicinity of dangerous areas
- Latest Port Marine Circulars and Notices
- Operating in poor visibility
- Communication during emergencies
- Crisis Management in the event of man-overboard, engine/steering failure

Pre-Requisite

Must be a holder of a valid Passenger Ferry Safety Course Certificate.
Employed by a local ferry operator as Master or Chief Officer on a passenger ferry.

Certification

Passenger Ferry Safety Course Certificate will be re-validated by Maritime and Port Authority of Singapore for a period of 2 years upon successful completion of the refresher course.
