VISION

To be the preferred Private Education Institution (PEI) of choice.

MISSION

STeI will offer high quality, cost-effective and relevant courses to meet the needs of our clients.

OUR VALUES - ELITE

PURSUIT OF EXCELLENCE

To be the best in all we do, continually striving for the highest professional standards achievable.

LOYALTY

Being committed to the organisation, to one another and to our customers, at all times. Striving for cohesiveness and caring for one another.

INNOVATION

Creative, being open to embrace change. Encourage, nurture ideas and initiatives to better organisational and individual performance.

TEAMWORK

Be responsible and take accountability seriously; be reliable and dependable to the Team.

ETHICS AND INTEGRITY

Be a role model in character and conduct; uphold STeI's Ethical standards.

OUR CULTURE - SEARCH

Shared sense of purpose and values that is consistent across all members of STeI.

Emphasising importance of staff learning and focusing on continuous improvement in STeI.

Accentuating sense of responsibility for student's learning.

Recognition of staff members' excellent effort and celebrating their successes.

Collegial and collaborative relationships among staff members.

Harnessing strengths through professional development, staff reflection, and sharing of best practices.

WELCOME MESSAGE

A very warm welcome to STEi Institute.

As a prospective student, you may face multi-faceted challenges. A key question that typically races through one's mind is, "Where can I secure relevant, reliable and professional educational qualification?"

We are fully conscious of the immense responsibilities placed on us and we will do our utmost to build on the rich legacy and solid reputation to provide quality services.

CHRISTINE TAN

STEi Institute
Principal/Managing Director

WHO WE ARE

We are a Private Education Institution that has established itself as a credible and astute service provider with sound governance and financial standing.

Our team of dedicated lecturers are subject matter experts in both industry practices and didactic approaches to meet your learning needs. Our school also include excellent facilities in a conducive learning environment that meet the standards set by the governing authorities.

QUALITY POLICY

We, at STEi Institute are fully committed to the provision of high quality, cost-effective and relevant education and training courses for our students and the industries.

At STEi, quality is everyone's responsibility. We take pride in our work and emphasise on problem prevention rather than correction. We are committed to comply with the requirements of our clients, and to continually improve our service quality based on feedback and established benchmarks.

STEi adopts a comprehensive Quality Management System (QMS). All STEi staff must comply with the QMS and strive to continuously improve our quality processes in the most competitive and effective manner.

BUSINESS ADMINISTRATION (HOSPITALITY MANAGEMENT)

Specialist Diploma in Business Administration (Hospitality Management) is to provide students with a deeper spectrum of business administration study to enable them to understand the business administration systems, processes and procedures, with the option of learning the operational as well as supervisory aspects of the international hospitality industry and the knowledge of the hospitality management principles involved.

SPECIALIST DIPLOMA IN BUSINESS ADMINISTRATION (HOSPITALITY MANAGEMENT)

BA 2001 MANAGEMENT INFORMATION SYSTEM

The syllabus coverage examines how communications, knowledge and information can be improved within the business of an organization by making better use of IT systems.

BA 2002 RESEARCH AND ACADEMIC WRITING

The syllabus coverage is to develop a student's skills and knowledge by establishing a systematic approach to the creation, reporting and review of research-based knowledge. It culminates in the development of a viable research proposal for a small-medium business enterprise. The student will acquire sufficient appreciation of research methods and strategies to prepare a viable research proposal.

BA 2003 ORGANIZATIONAL BEHAVIOR

The syllabus coverage is to develop the student's knowledge on the influence of culture; politics and power have on the behavior of others in an organizational context. Students will be in a position to apply the principles of organizational behavior to a variety of business situations.
